## Radio Regulatory Compliance

### FCC Compliance Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. this device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

This product contains FCC ID: **PVH0965**

Any changes or modifications not explicitly approved by HMS Industrial Networks could cause the module to cease to comply with FCC rules part 15, and thus void the user's authority to operate the equipment.

### Industry Canada Statement
